TOWN AND COUNTY REPRESENTATIVES DISCUSS AREAS OF COMMON INTEREST

County of Parkland representatives attended last Thursday's meeting of Drayton Valley Town Council and the groundwork laid for co-operative effort in many areas of mutual interest.

Representing the County of Parkland were Reeve Rudolph Zander of Tomahawk; George Mann of Fallis, Councillor for Division 5; Ivan Vowk of Easyford, Councillor for Division 7: and Mr. A.J. Schoepp of Stony Plain, County Fire Chief. All members of the Drayton Valley Town Council were present.

The meeting touched on many items where town and county are both involved including schools, recreation, hospital, fire protection, and Health Unit and all those attending appeared satisfied that the way was paved for reaching a solution for any future problems that might occur in these areas.

County representatives noted that a survey was now underway by the Department of Education to determine the feasibility of constructing a vocational high school in Drayton Valley. If the Department's investigation indicates such a need the school would be built to serve the western side of Parkland County and possibly some of the western portion of Leduc County.

Town officials pointed out that high school facilities here would soon be overtaxed with a tidal wave of youngsters in the 6 to 13 age group (746 pupils) beginning to reach high school age in the next two years.

A change in the hospital district boundaries was also suggested by the County representatives and met with agreement from Town Council. A request will go to the Department of Health that the Drayton Valley Hospital District be extended to cover all of Divisions 5, 6 and 7 of the county with the exception of a small area north of Lake Wabamun which it was felt could probably be better served from the Stony Plain District.

It was also agreed that a recreation program, using Drayton Valley facilities and personnel to as large an extent as possible, should also encompass a similar area as the proposed hospital district.

A location for a public works yard and building in Drayton Valley is also sought by the County and Town Council offered to make town-owned property available at a reasonable price. The County representatives planned to look into sites on Industrial Road.

The County plans to base a number of road units here along with necessary storage and maintenance facilities.

The meeting also dealt with policing of the area and one member of the County Police Department will likely be stationed in Drayton Valley. The County police work in co-operation with the R.C.M.P. and Town Police Department, but are primarily concerned with the enforcement of municipal bylaws and other actions not specifically covered by the criminal code.

The matter of rural fire protection in the Drayton Valley area was discussed and arrangements completed to house a county fire truck here to be operated by the town fire department on out-of-town calls. The truck would be maintained by the local fire department and also available as a second unit to augment the town truck on local calls.

Fire chief Don Griener will meet County officials at Stony Plain on February 10th when the type of truck to be ordered will again be discussed.

Until the new truck arrives here the County will base a tank unit here to provide a source of additional water for out-of-town fire calls.

Town Council also suggested that County subscription to The Western Review should cover the same area as the hospital district and recreation area (Divisions 5, 6 and 7, less the area north of Lake Wabamun). A decision on this matter will be made by the end of March when paid up subscriptions to the Stony Plain Reporter in the old M.D. area expire.

Recreation Directors Meet

County of Parkland Recreation Director Syd Moore (L) is shown here in conversation with Drayton Valley Recreation Director Mike Gormley at the Frank Maddock High School Friday. Mr. Moore was here to address high school students on opportunities available in seasonal recreation leadership for trained and qualified young people throughout the county area.

First Regular Meet Of Parkland Council

First regular meeting of the Council of the County of Stony Plain No. 31 was held in the County office on Monday, January 13th. Present for the meeting, called to order at 10:00 a.m., were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller and Councillors, Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Mr. C.H. Weir of Stewart, Weir, Stewart & Watson of Edmonton

Was present at the meeting and presented to the Council a revisec plan of an easement and gas line installation across Lot P1 (Park Reserve), Pln 3303N.Y. in the N.W. 3-53-4-5.

It was agreed on motion of Councillor Lent that this revised plan be approved subject to the condition that the pipeline be placed a minimum of 5 feet below ground.

Mr. William E. Wilson, Solicitor from the law firm of Bryan, Foote, Et Al of Edmonton

Was present at the meeting in connection with a consultation he had with a Committee of the Council concerning retention of a County Solicitor.

Fire Protection - Annexed Area

Council discussed the possibility of stationing a fire engine in the Town of Drayton Valley to provide fire protection in the annexed area of the County.

It was agreed on motion of Councillor Miller that a meeting be arranged with the Town of Drayton Valley, to be attended by Reeve Zander, Councillors Mann and Vowk and the overall Fire Chief, for the purpose of negotiating an agreement for fire protection services in the rural area in the west end of the County.

Appointment of Solicitor

It was agreed on motion of Councillor Lent that Mr. W.H. Hurlburt from the law firm of Hurlburt, Reynolds, Stevenson & Agrios of 800 Chancery Hall, Edmonton be appointed as Solicitor for the County of Stony Plain No. 31, for the year 1969.

Reading of Minutes

The minutes of the last regular meeting held in December, 1968 and the organizational meeting of January 3rd, 1969, a copy of which was frowarded to each Councillor were accepted on motion of Councillor Miller.

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
WEDNESDAY, JANUARY 29th, 1969

Shortened P.O. Week Effective Feb. 17th

The Honorable Eric Kierans, Postmaster General, announced last week that the shortened post office delivery week will become effective February 17th. The adjustment is expected to contribute a saving of some $13,000,000 to the economy of Canada.

There will be no change in smaller centres generally served by post offices operated in conjunction with a private business, or from a private dwelling.

In the case of Drayton Valley and other communities not served by letter carriers and where service is provided from self-contained post office buildings, wicket service not exceeding four hours will be provided on Saturdays, after first class mails and daily newspapers have been processed for delivery. The wicket transactions will include general delivery, the sale of postage stamps and money orders and the acceptance of items for mailing. Lock box service will be maintained and mails will be received and dispatched.

While mails will be processed on both Saturday and Sunday, Mr. Kierans said staffing arrangements are being made to reduce the number of staff members required to work on weekends to a minimum.

Procedures for implementing the five day delivery week have been developed to allow the greatest number of employees to enjoy a constant Monday through Friday work schedule, with minimum disruption in postal service, Mr. Kierans said.

Census Shows 3,435 Population

Annual census of the Town of Drayton Valley was completed last week and shows the town with a population of 3,435, an increase of 109 over last year.

Adults account for 1733 of the total. There are 385 children over 13 years of age; 746 between 6 and 13; 310 between 3 and 5 inclusive; and 261 under three.

Billy Rose Opens Northern Alta. Final

Billy Rose, Drayton Valley's Mr. Curling, returned to his old home town of Sedgewick last week to deliver the first rock to open the Northern Alberta Ladies Curling Finals.

The Sedgewick Community Press reports that Billy remarked that he can't get down as good as he used to, but Mayor Backin who held the broom at the other end, said Billy hit the broom right on the nose, even if his rock did go through the house.

4-H Members Selected for Red Deer Meet

Mervyn H. Jaque, Director of the 4-H and Junior Forest Warden Branch, Alberta Department of Youth, has announced the names of five members of 4-H clubs who were selected to attend the Western Hog Growers Association convention in Red Deer, January 23rd to 24th.

The Western Stock Growers Association sponsored the young delegates. They were all members of 4-H swine clubs.

Delegates from this area were Leslie Horsman and Heather Robb, both of Berrymoor, and both members of the Lindale 4-H Swine Club.

Conduct of Town Affairs Approved by Department

Commenting on the recent annual inspection of the Town of Drayton Valley, Mr. D.F. Edgar, Senior Municipal Inspector of the Department of Municipal Affairs noted that business of the community is being conducted in a very satisfactory manner.

An inspection of records and administration of the town was completed on December 13th and cash records found complete in all respects. The tax roll, the report notes, is being maintained in a very satisfactory manner. The minutes are clearly recorded giving a good account of business transacted by council and office administration conducted in a satisfactory manner, the report states.

Only areas of criticism concerned certification of tax roll prior to the sitting of the Court of Revision last year and a recommendation that further budgets make provision for more substantial surplusses.

Council is also urged to take necessary steps to collect outstanding arrears of taxes which amounted to $136,000 at the end of 1967.

Hill Innis (L) is shown receiving his cheque for $50.00 from Lion Dave Strocher. Although not visible, the cheque was written on the base of the evergreen limb being presented to Mr. Innis.

Hill Innis Wins Rodeo Name Contest

The Drayton Valley Lions Clubs "Name the Rodeo Contest" drew responses from thrity-eight persons throughout the area. Entries were submitted from Tomahawk, Rocky Rapids, Evansburg, Violet Grove, Entwistle, Seba Beach, Breton, Warburg, Moon Lake and Drayton Valley.

Although the judges were hard pressed to make a selection from many very good suggestions, it was finally decided to use the "Evergreen Rodeo" name submitted by Mr. Hill Innis of Drayton Valley.

The Lions committee headed by Dave Strocher feels that the "Evergreen" name can be readily adapted for advertising purposes such as green stetsons or plastic replicas of evergreen trees for tags and gate passes.

The Lions Club extended its thanks to entrants for the widespread response and regards this as an indication of mounting interest in the rodeo to be held this year on August 15th and 16th.

HEALTH UNIT NOTES

Mumps -- is an acute contagious disease caused by a specific virus which has a predilection for glandular and nervous tissue. It is characterized most commonly by salivary gland enlargement, particularly the parotids (located near the ear).

Incubation: 12 to 26 days, commonly 18 days.

Isolation: Unil swelling of salivary glands has subsided.

Quarantine: none.

Disinfection: of discharges from the nose and throat, and of articles soiled therewith.

Prognosis: generally excellent.

Immunity: One attack usually confers lifelong immunity.

Treatment: symptomatic and supportive. Mumps is a self-limited infection, the course of which is not altered by the use of any of the antimicrobial drugs. Aspirin might control the pain caused by swelling. Warm applications seem to help some patients; others prefer cold.

Twenty-two teams braved the cold weather for the open bonspiel held here from the 16th to the 19th of January, making the 'spiel a success again this year. Outside rinks were entered from St. Albert, Warburg, Breton, Faraway and Buck Lake. In the first event, coming off with top honors was the Liber rink from Breton, winning curling sweaters. Second place was the Westling rink from Breton, receiving car warmers donated by Calgary Power. In third place was the Ken Hayduk rink from Alder Flats who won lawn chairs. Fourth place winners were the Donnie Maciborsky rink who received sleeping bags.

In the second event, the J. L. Seely rink of Alder Flats won first place and received study lamps donated by Calgary Power. The Jim Capanuik team from Alder Flats received pole heaters for placing second. The Vic Millar rink from Buck Lake placed third and won blankets. Fourth place winners were the Gordon Lindholm rink who won barbeques.

In the third event, the Rudolph Brzus rink from Buck Lake placed first and received propane torches from Alberta Propane. Second place was won by the Ladoucer rink from Breton who were awarded thermos picnic jugs. The third place Ernie Mills team from Buck Lake won electric wall clocks. The Larivee rink from Winfield placed fourth and received curling brooms.

Prior to Christmas thirteen Girl Guides were enrolled. The Guides had their toboggan party on the 4th of January.

Mrs. Elsie Seely and children went by train to Vancouver and spent the Christmas holidays with her dad Mr. John Engblom and her brother Vern.

Mr. Art Speakman was in Calgary last week on business.

Mr. and Mrs. Gerry Bortnick of Edmonton were home for the weekend at the Art Speakmans.

Constable Eric Gynp of Penhold was home for Christmas Day and on a five day leave during the New Year. Eric's graduation will be on February 10th. Also home for the holidays at the Grant's was Peter Gynp of Jasper Place.

Visiting at the E. E. Seely's this weekend were friends from Edmonton, Marvin and Donna Burns and family.

Mr. and Mrs. Steve Stefura had a house full of guests for Ukrainian Christmas.

EDITORIAL COMMENT

Other Fields for Economy

Sweeping changes in the post office department, with increased box rentals following on the heels of hiked mail rates, are beginning to irk many Canadians.

We believe that Mr. Kieran's desire to have government services pay their own way is commendable. However, we doubt that such an essental service as the post office should qualify for the measures being applied to it. The service is used by all Canadians in all walks of life, and of all government services we feel it should be very close to the top of the list of those that continue under subsidy from government revenue.

Mr. Kieran's talent for producing efficiency could be much better applied in other departments with no bearing on the day-to-day conduct of business and personal affairs of the Canadian public. He might, for instance, go to work on the CBC and save us a dollar or two.

At this point we should note that we would not like to be classed with those who carp continually about the CBC. We belive it produces much worthwhile material --- however it costs a great deal of money and provides entertainment almost exclusively. We cannot see how the government justifys subsidizing entertainment while it gouges extra pennies out of the people to economize on an essential service.

Foresight Could Avert Tragedy

This newspaper has long felt that many motorists take unnessary chances with the risk of suffering from exposure in the event of being stranded on a highway or district road.

We belive that adequate warm clothing for every passenger should be carried on every trip. It's one thing to walk from the house to a warm car, but it's something else again to get out of that car in below zero weather and walk lightly-clad a mile or two for help. If the stranding occurs in an area that is even slightly remote it could prove considerably worse than uncomfortable.

Many motorists of this area are familiar with the unpredictable winter weather in this province and often hazardous road conditions and have the foresight to travel prepared to encounter them. Tragedy and near tragedy, is still reported every year however, when cars or trucks are marooned in sparsely-settled areas.

Alberta Government Telephones, in a recent news release, tells of provision of survival kits for employees working in remote areas. Many of us could take a leaf from the A.G.T. book . . . survival kits may not be necessary but we should at least be prepared to keep from freezing in the event of an enforced walk.

Help Make Your Eyes Last

The week of February 2nd to 8th is White Cane Week and the Canadian National Institute for the Blind is stressing the slogan "Be Wise, Take Care of Your Eyes."

The slogan is based on fact. Doctors have stated that early treatment could prevent fifty percent of Canadian blindness. In addition to this is the fact that 300,000 eye accidents occur annually in Canadian industry alone, and this figure does not include eye injuries on the farm, in the home or at school.

Many people could avoid eye damage and possible blindness by observing the C.N.I.B.'s suggestion for protecting sight. See your doctor at the first sign of trouble; use safety glasses if possible; and have children's eyes tested early.

Your eyes must last a lifetime and if you give them a chance they probably will.

A CHINESE PROVERB

The Chinese have a proverb, in fact a precept, which would cure the ills of the world. It is this:

"If there is righteousness in the heart, there will be beauty in the character. If there is beauty in the character, there will be harmony in the home. If there is harmony in the home, there will be order in the nation, there will be peace in the world."

Farmers Urged to Check Seed Supplies Now

The head of Alberta's Field Crops Branch urges farmers to check their seed supply now and to make arrangements as soon as possible to procure any additional seed they may need.

Mr. Bratvold stresses that anyone who intends to use seed from last year's crop should have it tested for germination. He says a large portion of this seed is likely to have a very poor germination level because of last fall's early frosts and poor harvesting conditions. Farmers can conduct their own germination tests or have them done at their local elevator or the Plant Products Division of the Canada Department of Agriculture, Federal Building, Edmonton. The Plant Products Division charges $1.50 per sample (40 ounces of seed).

According to Mr. Bratvold, there is a distinct possibility of a seed oat shortage on many farms in central and northern Alberta. The situation brought on by last year's unfavorable weather is further aggravated by a very small carryover from the 1967 crop. Although many farmers may also be short of seed barley it should not be difficult to locate suitable stocks of this grain. Since there is a good carryover of 1967 wheat, supplies of this seed are ample.

Members of the seed trade report that they have stocks of most kinds of seed including flax and rapeseed, but warns that supplies of some seed could be depleted by spring. Mr. Bratvold reminds farmers that they can deliver up to 600 bushels of grain in excess of their quota for the purchase of pedigree seed. The grain delivered does not have to be of the same species as the seed.

February Food Outlook

OTTAWA, -- Steady beef prices are forecast for February in the monthly food outlook issued by the Economics Branch, Canada Department of Agriculture. Here is the detailed outlook:

BEEF: Supplies are above year-earlier levels, but with demand higher, prices will remain steady.

PORK: Prices can be expected to remain close to beginning year levels.

EGGS: Egg prices are expected to continue much above year-earlier price levels, but will be seasonally low in February.

POULTRY: Supplies of broiler chicken and broiler turkeys will be much above year ago volumes; poultry meat prices are expected to remain steady because of a stronger demand anticipated for poultry due to higher red meat prices.

Letters to the Editor

The Editor,
The Western Review,
Drayton Valley, Alberta

Dear Sir:

We at Labatt's, would like to take this opportunity to sincerely thank you for all the assistance you gave us in publicizing our new Hockey Instructional Films that were shown in your area just recently. Without this type of co-operation on your part, we know that the premiere showings would not have been quite as successful as they were.

The enthusiasm with which these films were received, plus the number of requests for their usage, is an indication that there was a definite need for them in your neighbouring communities.

Again, we say thank you, and wish you every success in the coming New Year.

Yours very truly,

Paul Fee,
Public Service Co-Ordinator.

COUNCIL BRIEFS

At the regular meeting of Town Council held January 9th a report was received from Mr. Tom Johnson, County School Committee representative, on events of the first meeting of the committee.

* * * *

A report from Recreation Board representative William Rose included information regarding the proposal to hold hockey and figure skating clinics in the arena during the summer. Cost figures and organizational requirements were being investigated.

* * * *

Council discussed the recreation program as it involved areas surrounding Drayton Valley and it was decided to extend an invitation to the Reeve of the County of Parkland and Councillors for adjoining divisions to attend a meeting to discuss areas of co-operation.

* * * *

The Town Engineer Mr. Bill Tuttle reported that street lighting was required on the south side of Block 49. He also suggested moving the street light from the north entrance road to Jubilee Avenue entrance to make the town's "Welcome" sign more visible.

* * * *

Council has decided to get rid of the building presently occupied by Dr. Ken Heater and has asked him to investigate the possibility of locating other facilities. The building was installed in its presnet location as a temporary measure several years ago and now requires a number of repairs. Rather than become any further involved, Council decided to dispose of the building.

* * * *

Council authorized increasing the town's contribution to the employee's pension fund with Manufacturers Life from two percent to three precent of salary.

* * * *

A Court of Revision to hear appeals on 1969 real property assessment will sit at the Council Chamber on Thursday, February 13th at 4:00 p.m.

* * * *

Bylaw No. 422 authorizing the setting up of a business licensing program was given third reading and becomes law.

EVANSBURG NEWS

MRS. M. BRUNER
Correspondent

The extremely cold weather we have been having has kept all activities to a minimum as the only ones we see around are the extremely tough people. Apart from just feeling miserable from the cold some families have had the misfortune of having water pipes freeze and problems with keeping homes warm.

However, some hardy people who must have in mind next year's big game in the freezer, have met for their annual meeting in spite of the cold. This particular group is called the Pembina Marksmen Club and their meeting took place on January 9th. They decided to continue as they had been doing during the past year - have a shooting practise every Wednesday evening. They have a fine indoor range set up and anyone interested in this organization may get more information by contacting Mr. Ed Nelson, our genial Calgary Power man.

Due to an error in reporting the news a couple of weeks ago, I have been asked to inform you that the annual Firemen's Ball which was slated to take place on February 14th will not take place until March 14th; therefore, there will not be a special meeting on January 29th as previously reported.

The gymkhana club held an evening of entertainment for the Lauer family who recently had the misfortune to have their home damaged by fire. The members played cards, visited and generally had a good time. Mr. and Mrs. Lauer were presented with a purse to help out in their loss.

The Pembina-Lobstick 4-H clubs held their joint meeting recently, after it had been postponed once. They decided to sponsor Shirley Hutchinson as Valentine queen at the ball to take place in the Sundance Hall on February 14th. All proceeds from the sale on any of the queen tickets go towards special projects at the Crippled Children's camp at Lake Isle. After the meeting, the members and their guests went skating in the new arena for a short time. They then came out to our place to get really thawed out and have lunch. The next meeting is to take place on February 7th.

Several members of the 4-H club along with their leaders attended the 4-H Stony Plain Council meeting held at the Smithfield Hall recently. A new executive was elected and representatives were appointed for the various positions. Plans were also made for the year's activities which will involve all the clubs in the council willing to take part. Such activities as curling, bowling and a huge rally are planned as well as public speaking contests. Let us hope that soon this cold weather gives us a break as so far we are concerned the boys have certainly missed enough school for quite some time.

KEEPHILLS NEWS

MRS. G. RAYMOND
Correspondent

Mrs. Ernie Williams of the Highvale area has gone to the hospital for surgery.

Wilfred Quig has been in the hospital for two weeks and has someone driving his school bus while he is away.

Several from this area attended the wedding of Ruby Sharon of Edmonton recently. Ruby grew up in this area and got her public schooling at the Keephills school.

Della Tattersall was having trouble with the water pump last week and Edward who has been working at Nojack came home one evening to get it working.

Douglas McDougall brought in a bouquet of pussy willows on January 17th. He always seems to spot the early ones but he is quite sure this is the earliest he has found them.

Mrs. Wright, of Keephills passed away on January 14th at the Castor hospital at the age of 84 years. She has lived in that area for the past few years with her daughters. In late fall she broke her hip and since then she had been in hospital. She leaves two daughters, Violet Calvert and Myrtle, Mrs. George Elliot both of Gadsby, one son Richard of Okotoks and several grandchildren and great grandchildren. Her husband, two daughters, Mrs. Lillie Plautz and Mrs. Ruth Fenwick pre-deceased her, during the 1950's. She was buried at Castor.

It's much more fun to sulk and feel miserable when somebody is with you - usually that poor wretch - your wife.

MAGNOLIA NEWS

MRS. W. E. CAMPBELL
Correspondent

It has been brought to our attention that two former Magnolia ladies, Mrs. Cora Entwistle of Port Albemi, B.C. and Mrs. Fred Dexter of Angus, Ontario have been reading the Magnolia news lately. Several of our local pioneers and all the rest of us who know these ladies wish to say a cheery "hello" from Magnolia. It would be interesting to discover to what distant parts our friendly newspaper travels.

Three young girls, Misses Maureen and Mary Ekroth and Miss Sandra Campbell, from Magnolia went with their Grade 7 teacher, Mr. Burke and class to Edmonton to see the Ice Capades on January 18th. These three lucky girls report having a good trip and enjoying the Ice Capades immensely.

Peter McDougall, who is working in east Edmonton, could not be home this weekend. Don, Jack, Ruth and granddaughter Lorna were home to brighten Betty's days. Jack and Ruth celebrated their fourth wedding anniversary on January 16th. Congratulations to both of you.

Jack and Evelyn Cameron were happy to have their daughter and son-in-law, Hazel and Orest, home for the weekend. Miss Joan Fenton of Sundance spent part of the weekend as a guest of Bev. Cameron.

Home for the weekend at the home of Al and Alma Roth were Wade and Glenda, Leroy and daughter-in-law Marian with granddaughter Misty. Also visiting were Jerry and Carol McCracken of Edmonton.

Norma Williams tells me Sherry is now six months old and is spending a very happy, healthy winter. She is one of the lucky few who have escaped the flu.

Betty Strangway motored from Edmonton with friends to Stettler on Saturday to attend the 46th wedding anniversary of her aunt and uncle. She reports having had a wonderful time visiting friends and relatives. Dean Strangway left on January 12th to work in Barrhead.

Gladys Chechotko and Mac Carlson with Reg Bryant and Colleen Hardman entered the bonspiel at Seba recently. They won second place in the first event. Walter and Rummy Woloszyn were visiting with Mark and Sophie, his sister on Friday night and also showing off their new car.

Congratulations are extended to Bob and Nora McCracken on the occasion of their twenty-third wedding anniversary on Sunday, January 20th. All their family were able to be home to help celebrate. Bob and Nora were delighted to receive a congratulatory phone call from Cliff and Celia MacDougall of Hinton. Also helping celebrate were Don and Sybil Peden and family, Pat Wilson, Jim Gilbert, and Marvin and Kevin Strangway.

The idea that Canadians do not walk is not upheld by the local folks as several have been seen arriving red-cheeked and frosty for their mail. Cars will not go, but feet still move in this bitter cold weather.

The benefit of living close to Mr. Orris McWillis is apparent in the smiles of his neighbors. The snow is all pushed from their yards by Orris and his tractor.

ENTWISTLE NEWS

MRS. E. OLIVER
Correspondent

The Happy Hour Bible Club is helping a Mission Hospital in Mankoya, Zambia. In the letter received recently they said they are in need of old cotton sheets for bandages and old cards of any sort. Anyone having any of these things please contact Mrs. DeJong, at 727-3971.

On Friday and Saturday, January 17th and 18th our district held a curling bonspiel at Wildwood. Nine rinks were entered and the Hanson rink of Entwistle played in the spiel. The rink consisted of Lil Hanson, Eleanor Oliver, Meg Swinnerton and Marge Anderson, and they won fourth in the first event. The spiel and the lovely banquet were enjoyed by all.

The Elks will be having another Bingo on February 14th in the Elks Hall at 8:00 p.m.

Ted Starling is sporting a new Dodge Dart Swinger after his other one was damaged.

Timmy Town was hurt at school the other day and we hope he is not seriously laid up for long.

Toboggan Races Planned in City

The first annual Edmonton International "Sno Go" will be held at Speedway Park on Sunday, February 9th.

One hundred and fifty competitors from across the western provinces and the northern United States are expected to take part in the power toboggan races of international calibre.

A bachelor's life is one undarned thing after another.

W.I. Extends Welcome to Women Interested in Joining

The Drayton Valley Women's Institute met in the Town Library with eight members and four visitors present. Mrs. F. Duckett presided.

Mrs. Oscar gave a report on the past year's work which included a flower show, a plant and bake sale, a day course on home decorating by a Home Economist, an evening talk and film on landscaping your yard by a member of the staff of the Lacombe Nurseries, a delegate sent to the Annual Meeting, an effort to get a public rest room in town, three prizes given to local school Home Economics students, seven large boxes of new and used clothing sent to the Unitarian Service, sponsoring of the Girls Club of W.I. of native women and used Christmas cards to the Camsell Hospital, Edmonton.

During the year, the W.I. members exchanged recipes, plant slips, etc.

The W.I. is a branch of the Federated Women of the World. The aim of the group is, "For Home and Country". One big world project is the giving of Lady Aberdeen Scholarship to train technicians for the underprivileged countries of the world.

The Drayton Valley W.I. was organized in 1954. One of their big projects was the starting of the local town library.

The W.I. is at present interested in collecting used clothing for the Style Shop of Oliver Hospital, Edmonton. If you have any to give phone 542-4107 or 542-3845.

A welcome is extended to women who would like to become members of this worthwhile organization.

First Regular Meet Of Parkland Council

Cont. from Page 1

Request for Construction of an Access Road to L.I.D. 14-14-53-26-4- Mr. James Kier of Edmonton.

Public Works Committee to inspect. No progress reported.

NEW BUSINESS

Snowplowing and General Maintenance

Mr. M.M. Bradley, Public Works Manager was in attendance at the meeting and discussed with the Council snowplowing procedures and equipment arrangements.

The meeting adjourned for lunch at 12:30 o'clock p.m. on motion of Councillor Bailey and reconvened for business at 1:45 o'clock p.m.

Purchase of Portrait of the Queen and Flags for Council Chamber

On motion of Councillor Miller it was agreed that the purchasing committee purchase a portrait of the Queen and flags for placement on the wall of the Council Chamber in the County Office.

Air Compressor Requirements

The School Committee recommended to Council that outlets for the air compressor be installed in the Biology and Chemistry classrooms in the Memorial Composite High School and that a small compressor be installed in the Physics classroom in Stony Plain.

It was agreed on motion of Councillor Bakker that this matter be tabled until the next meeting.

Financial Statement

The financial statement for the month ending December 31st, 1968 was accepted on motion of Councillor Bailey.

Cancellation of outstanding cheques

It was agreed on motion of Councillor Bailey that outstanding cheques be cancelled as follows: Cheque no. 2008 dated October 1, 1963 in the amount of $0.24. Cheque no. 2657 dated June 1, 19 1964 in the amount of $4.38. Cheque no. 4917 dated July 22, 1966 in the amount of $25.00. Cheque no. 9517 dated December 14, 1967 in the amount of $4.13.

Outstanding Cheque No. 5871 - $457.81

The above cheque having remained outstanding for a considerable period of time, it was agreed on motion of Councillor Miller that the payee be notified to make arrangements to have this cheque cashed within two weeks or same will be cancelled.

North West Regional Service Board Conference

Notice received that the annual North West Regional Service Board Conference will be held in Westlock on Tuesday, February 4th, 1969.

It was agreed on motion of Councillor Miller that all members of the Council be authorized to attend this conference.

Request for Approval to Place an Informational Sign on the S.E. 21-53-7-5- Steel Brothers Canada Ltd. of Edmonton

Approved on motion of Reeve Zander.

Alberta List - 1969

It was agreed on motion of Councillor Miller that the secretary-treasurer be authorized to obtain one copy of the Alberta List - 1969 for the sum of $10.00.

Application to Purchase Part of the S.W. 34-53-1-5- Mrs. Helen Fuchs of Edmonton

On motion of Councillor Bailey it was agreed not to sell this parcel at this time and to advertise for tenders on the parcel later in the year.

Mr. David A. MacDonald of Saskatoon Fire Engine Company Ltd. of Calgary

Was present at the meeting regarding fire protection equipment requirements of the County.

Mr. Donald Scheideman of R.R.1, Stony Plain

Called on the Council regarding a possible settlement of compensation for land acquired for road purposes through the S½ 29-51-2-5.

It was agreed on motion of Councillor Bakker that the Council make an inspection of the road being constructed, on Wednesday, January 22nd, 1969 to familiarize the new Council members with the case.

Workmen's Compensation - County Employees.

Letter dated December 30, 1968 from the Workmen's Compensation Board was read to the Council advising that the County may elect to assume the experience of the accounts of the Municipal District of Stony Plain No. 84 and the Stony Plain School Division No. 23 or it may elect to not assume the experience.

On motion of Councillor Bailey it was agreed not to assume the experience of the two former administrations.

Workmen's Compensation Coverage - Councillors

It was resolved on motion of Reeve Zander that application be made to the Workmen's Compensation Board for compensation benefits for the members of the County Council and also the appointed representatives on the School Committee if they are elegible for coverage under the Workmen's Compensation Act.

Petition Requesting an Additional Street Light in the Hamlet of Tomahawk

A petition containing 96 signatures was presented to the Council requesting installation of a street light at the post office in the Hamlet of Tomahawk.

It was agreed on motion of Councillor Bailey that Calgary Power Ltd. be instructed to install the requested street light.

Newspaper Circulation in the West End of the County

Letter dated December 30, 1968 from the publisher of The Western Review in Drayton Valley was read to the Council requesting that the County subscribe to The Western Review as the County newspaper for ratepayers in the west end of the County.

It was agreed on motion of Councillor Mann that the publisher of The Western Review be asked to attend at the Council meeting on Thursday, January 16, 1969 to discuss this matter with the Council.

Statement of Account - The Stony Plain Reporter Ltd.

Statement of account in the amount of $1,286.30 for newspaper subscriptions for the period of January 1st, 1969 to March 31st, 1969 was authorized to be paid on motion of Councillor Bailey.

Request for Payment for Loss of Cow - Mr. Sam Dzus of Seba Beach

Letter dated December 30, 1968 from the above named was read to the Council again requesting payment for a cow lost due to having her udder pierced by a snag on a municipal road.

On motion of Councillor Bailey it was agreed to advise Mr. Dzus that his claim has been submitted to the insurers of the County and that the County will not accept responsibility for this claim.

lberta Municipal Conference on ergency Measures (1969)

Notice received that the annual conference with municipal officials to discuss the Emergency Measures / Civil Defence program in Alberta will be held in Calgary on February 18th and 19th, 1969.

On motion of Councillor Miller it was agreed that Councillor Lent be authorized to attend this conference.

Hudson Bay Route Association - Membership

It was agreed on motion of Councillor Mann that the sum of $50.00 be paid for 1969 membership in the Hudson Bay Route Association.

County Owned Property and Residence - PT. S.E. 22-53-6-5- (0.7 acre)

On motion of Councillor Bailey it was agreed that the former occupant of the above residence be requested to remove her personal belongings from the residence within 60 days from the date of request.

The meeting adjourned at 6:05 o'clock p.m. on motion of Councillor Lent to meet again on Thursday, January 16th, 1969.

Council Meeting Reconvened - Thursday, January 16th, 1969

The meeting was called to order at 10:20 o'clock a.m. with the following members present, Reeve Zander, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Mr. Walter Mandick, Publisher of The Stony Plain Reporter

Was present at the meeting and informed the Council that he had been receiving numerous complaints and objections concerning the changing of the name of the County.

Mr. Mandick also brought up the matter of newspaper circulation since the west portion of the County is covered by The Western Review in Drayton Valley. Mr. Mandick suggested that he retain circulation of the old area and The Western Review assume circulation of the annexed area of the County and that changes in subscriptions be made upon request of any ratepayer.

Request for Construction of the Road West of the S.W.23-53-7-5- Mr. Isidore Dansereau of Edmonton.

Letter dated January 11th, 1969 from the above named was read to the Council requesting construction of the road west of the SW 23-53-7-5 to give access to Highway 16 to the N.E. 22-53-7-5-.

It was agreed on motion of Councillor Mann that Councillors Vowk, Zander and Mann make inspection of this road and report to the Council.

Telephone Calls During Meetings

It has been experienced that telephone calls directed into the Council Chamber during meetings cause delays in meeting procedures and interruptions when delegations are present.

It was agreed on motion of Councillor Bakker that no telephone calls be directed into the Council Chamber while any meeting is in progress.

Reclamation Council Member

An application for appointment to the Reclamation Council was received from Mr. Kenneth B. MacKenzie of Drayton Valley and one submitted by the Drayton Valley F.U.A. Local No. 519, suggesting that Mr. William Dusterhoft of Drayton Valley be appointed.

On motion of Councillor Bailey it was agreed to request that the two applicants attend a meeting of the Council concerning this matter.

Recreational Facilities Meeting

It was agreed on motion of Councillor Mann that a recreational facilities meeting be held in the County Office in Stony Plain on Wednesday, January 29th, 1969 commencing at 10:00 o'clock a.m. This is to be a joint meeting with the members of the Recreation Boards and Recreation Superintendants of the County and the Town of Drayton Valley and the members of the County Council.

The meeting adjourned for lunch at 12:10 o'clock p.m. on motion of Councillor Lent and reconvened for business at 1:15 o'clock p.m.

Offer to Lease the S½ 12, S½ 13, and Pt. N.W. 13-54-7-5 for a Period of Three Years at an Annual Rental Rate Equal to the amount of the Annual Current Taxes - Mrs. Gloria E. Greenwood of R.R.7, Edmonton

It was agreed on motion of Reeve Zander that the offer be accepted for the year 1969 only and to be renewable from year to year.

Mr. B. Harrison of Canadian Motorola C. Ltd. of Edmonton

Was present at the meeting and presented to the Council an estimate of the cost of extending the mobile radio communication equipment to cover the entire County.

On motion of Councillor Bailey it was agreed that a committee consisting of Reeve Zander and Councillors Vowk and Mann be authorized to negotiate for a 2 acre parcel of land in the Horen area for a radio tower and repeater station site.

It was agreed on motion of Councillor Vowk that purchase be made of one repeater station, complete and twelve mobile units for the sum of $9,782.00

Mr. R. B Smith, Publisher of The Western Review in Drayton Valley

Was present at the meeting to discuss with the Council newspaper subscriptions for ratepayers of the western portion of the County.

Forest Fire Fighting in the Western Portion of the County

Letter dated December 13, 1968 from the Forest Superintendent of the Department of Lands and Forests at Whitecourt was read requesting to meet with the Council to formulate plans for the coming fire season.

It was agreed on motion of Reeve Zander that the Fire Control Staff from the Department of Lands and Forest at Whitecourt be requested to attend the meeting of the Council on February 10th, 1969.

Request for Public Washroom Facilities in the Town of Drayton Valley - Mrs. Winnis Hammerlindl of Drayton Valley

Copy of a petition submitted by the above named was read to the Council requesting that public washroom facilities be provided in the Town of Drayton Valley.

It was agreed on motion of Councillor Lent that no action be taken in connection with this request.

Request for Approval of Plans Covering an Extension to Provide Power Service to Northern Development Gas Compressor in LSD 9-25-50-1-5

Approved on motion of Councillor Bakker.

Request for Approval of Plans Covering Power Line Extensions-Calgary Power Ltd.

Plans covering power line extensions were approved as follows on motion of Councillor Vowk:

Extension to provide power service to a Mobil Oil Well on LSD 14-25-48-8-5.

Extension to provide power service to a Mobil Oil Well on LSD 12-29-48-8-5.

Extension to provide power service to Pan American Petroleum pumps in LSD 1-33-47-9-5.

Extension to provide power service to Pan American Petroleum water pump on LSD 16-7-48-9-5.

Extension to provide power service to one Skelly water well on LSD 7-14-47-9-5.

Request for Regravelling, Maintenance and Snowplowing of an Approach Road to Lot 13, Block 1, Lodgepole - Alberta Government Telephones

Referred to Councillor Vowk for inspection on motion of Reeve Zander.

Request for Approval Covering the Converting of the Existing Power Service to Provide Power Service to City Lumber Co. Ltd. -Calgary Power Ltd.

It was agreed on motion of Councillor Bailey that information be obtained regarding the City of Edmonton franchise to provide power to this location.

Request for Maintenance of Isolated Roads - Department of Highways

Letter dated October 11th, 1968 from Mr. F.E. Magyar, District Engineer for the Department of Highways at Edson was read to the Council requesting whether arrangements may be made to have the County maintain two isolated roads for the Department of Highways. Those are the roads into the Power House and the Dam on the Brazeau River.

It was agreed on motion of Councillor Bailey to make arrangements for the County to maintain these roads at regular Government rates.

Proposed Annexation to the City of Edmonton - Lot B, Plan 1681 N.Y., in the S.E. 33-52-25-4

Notice received from the Local Authorities Board that an application for annexation to the City of Edmonton of Lot B, Plan 1681N.Y., has been received and plans were being made to conduct a public hearing concerning the application.

It was agreed on motion of Councillor Vowk that this matter be referred to Councillor Bailey for further study.

Request for Payment of Fees - E.K. Cumming and Associates Ltd. of Edmonton.

Correspondence from E.K. Cummings and Associates Ltd. was presented to the Council concerning a request for payment of fees for mechanical design services rendered on the plans that were originally drawn up for construction of the County Office Building.

It was agreed on motion of Councillor Bakker that this matter be referred to the Architect as the mechanical designers were retained by him.

Annual Vacation

On motion of Councillor Bailey it was agreed to adopt a policy that all Public Works employees be required to take annual vacation in the year in which it becomes applicable and the Public Works Manager arrange a suitable schedule for the employees to go on vacation

Vacation Pay - 1968

It was agreed on motion of Councillor Bakker that all employees who did not take the vacation with pay to which they were entitled in 1968 be paid in lieu of vacation at the rate of 4% of their total 1968 earnings.

Appointment of Committee to Formulate Policy Concerning Annual Vacation for Employees

On motion of Councillor Mann it was agreed that Reeve Zander and Councillor Bailey be appointed as a Committee to formulate a firm employee vacation policy and present the same to the Council for consideration.

Truck Mounted Snow Plow

The economics and desirability of truck mounted snow plows were thoroughly discussed.

It was agreed on motion of Reeve Zander that this matter be referred to the Purchasing Committee for investigation and authorization to purchase one snow plow for use on the front of a truck.

Appointment of Development Control Officer and Building Inspector

On motion of Councillor Bailey it was agreed that Mr. Gerald Repecka, presently employed as Assistant Agricultural Fieldman, be appointed as Development Control Officer and Building Inspector for the County.

Date for Interim Development Board Meetings

It was agreed on motion of Councillor Bailey that meetings of the Interim Development Board be held on the Wednesday following the second Monday of each month except when this day is not suitable, in which case the day for the meeting may be set at the discretion of the Council.

Appointment of Secretary for the Agricultural Committee

Mr. Leonard R. Webber was appointed as Secretary of the Agricultural Committee on motion of Councillor Bakker.

Date for Meetings of the Agricultural Committee

It was agreed on motion of Councillor Lent that meetings of the Agricultural Committee be held on the last Friday of each month except when the last Friday is not suitable or falls on a holiday, in which case the day for the meeting may be set at the discretion of the Council. The January, 1969 meeting to be held on Thursday, January 30th as the Council has made other commitments for the last Friday in January.

Appointment of Chairman of the Court of Revision

Councillor Robert A. Bailey was appointed as Chairman of the Court of Revision on motion of Councillor Lent.

Study of Repair Shop Operations and Requirements

On motion of Councillor Mann it was agreed that the Shop Committee make a study of all aspects of shop operations and requirements and submit its findings and recommendations to the Council.

Second Section
THE WEST CENTRAL REVIEW
Drayton Valley, Alberta
January 29, 1969

Shown here are members of the Ruff rink of Warburg who won the M.F. Curl-o-rama at Drayton Valley last weekend. From left to right are, Skip Leeson Ruff, Bill Wilkes, Jerry Toews of Big Country Machinery, George Broadbent and Mike Kurley.

Warburg Rink Advances to District Final in M.F. 'Spiel

The Leeson Ruff rink of Warburg, came up with back to back victories over the Vic Miller rink of Buck Lake to win the Massey Ferguson Curl-o-rama held at Drayton Valley last week.

The Ruff rink will now go on to to the district final to be held at Rimbey on January 31st.

Eighteen rinks from the surrounding area were entered for the Curl-o-rama which started on Wednesday and wound-up Sunday evening. The event is sponsored here annually by Big Country Machinery Ltd., local Massey-Ferguson dealers.

Taking part in the bonspiel were rinks from Evansburg, Tomahawk, Rocky Rapids, Drayton Valley, Warburg, Genesee, Buck Creek, Buck Lake, Alder Flats and Violet Grove.

Winner of the district final at Rimbey could advance to the Alberta and possibly the Dominion final. The Dominion final this year features "Tractorama '69" with the top rink in the country to receive four MF garden tractors

Members of the Buck Lake rink that placed 2nd in the Curl-o-rama are shown here with Wes Ratzlaff of Big Country Machinery. From left to right are, Don Laczo, Vic Miller, Mel Dawson and Paul Rainer.

District 4-H Council Meets at Smithfield

The Stony Plain 4-H District Council held its first meeting in the Smithfield hall on February 13th with President John Ohnesty in the chair. Council executive was elected and is as follows: President, Mr. Garry Webber; Vice-President, Mr. J. Ferrier; Secretary-Tresurer, Miss Joyce Wild; Reporter, Mrs. Peggy Hopkins. Discussions followed on curling and district rally and public speaking.

Public speaking for the East will be held at Lakemere Hall on March 21st or 22nd and for the West at the Keephills Hall on March 21st or 22nd. Semi-finals will be held in the Duffield Auditorium on March 28th or 29th. All these dates will be set and reports sent to all clubs. Finals to be held in Edmonton on April 18th.

The Stony Plain District Rally will be held in the Entwistle Auditorium on March 1st.

The Sundance 4-H Beef club is sponsoring a Valentine Queen Dance on February 14th at the Sundance Hall. Proceeds to go to Camp He-Ho-Ha, Lake Isle.

The Edmonton Regional 4-H Council held its banquet on January 20th at the Club Mocombo in St. Albert.

The Stony Plain District 4-H curling will be held in Stony Plain on February 22nd.

The Edmonton Regional Council Curling and Bowling will be held in Edmonton on March 15th.

The North West Zone Council is sponsoring a Tap Dancing Show at the Jubilee Auditorium in Edmonton on April 20th at 2:00 p.m. Proceeds to go to crippled children.

Mr. Garry Webber and Mr. John Ohnesty were elected as representatives to the North West Zone Council.

Meeting was then adjourned followed by lunch.

WEEKLY NEWS DIGEST

LOS ANGELES, California -- While Albertans shiver through the longest cold spell on record Californians are not getting any weather breaks either. Rains that caused extensive floods and mud slides in southern California were expected to ease on Tuesday. Eighty-six persons are known dead in the disaster and damage has been estimated at $35,000,000.

CALGARY -- Southern Alberta was digging its way out of a blanket of snow drifts early this week following a weekend blizzard. Blocked roads forced school closures at many points. Six foot drifts were reported at Claresholm.

LEDUC -- A concilliation board will likely be set up in an attempt to solve the salary stalemate between county teachers and the school committee.

FORT SASKATCHEWAN -- This community was hit with a wave of vandalism and theft last Friday evening when eight business places and community buildings were broken into. The Legion Hall and Municipal Library suffered damage by vandals and some of the business places hit reported thefts of merchandise and cash.

EDMONTON -- Living in a tent and winter warfare training during an Alberta winter is quite a jump from ceremonial duties and living in Chelsea Barracks in London, England.

For 150 members of 3 Company, 1 Battalion Coldstream Guards Exercise Frozen Jump is aptly named. They are to spend the next five weeks living in tents at Camp Wainwright, Alberta, training to fight and operate under winter conditions.

RED DEER -- Annual meeting of directors of the Alberta Heart Foundation was held here on January 14th and 15th to consider plans for this year's Heart Fund campaign. February is Heart Month in Alberta and this year volunteers will work in many centres in an attempt to raise the total objective of $240,000

TOWN OF DRAYTON VALLEY

Re: Real Property Taxes Discounts and Penalties

Please be advised that The Council of The Town of Drayton Valley has passed Bylaw No. 431 authorizing allowances of discounts and impositions of penalties on Taxes as Follows:

1. To allow discounts on all payments of current taxes:
   (a) during the period January 1 to March 13, a rate discount of 8%.
   (b) during the period April 1 to June 30, a rate discount of 5%.
2. To impose a penalty on all payments of current taxes and be added to and form a part of the unpaid taxes:
   (a) during the month of August a penalty of 1%
   (b) during the month of September a penalty of 2%.
   (c) during the month of October a penalty of 3%.
   (d) during the month of November a penalty of 4%.
   (e) during the month of December a penalty of 5%.
3. Upon all taxes remaining unpaid at December 31, in any year, a rate of penalty of 8% will be imposed and added thereto and in each succeeding year thereafter so long as the taxes remain unpaid.

The provisions of Bylaw No. 431 became law on the 19 December 1968.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending January 25, 1969, provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE-CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	4214	3386	828	876	443
Last Week	5969	3996	1973	1334	584
Same Week 1968	3793	2959	834	2323	1227

SUMMARY

Record breaking below zero temperatures continued to curtail cattle deliveries to the Edmonton Public Stockyards this week, resulting in an active trade. Receipts were mixed quality butcher classes and replacements. Slaughter steers were trading at fully steady prices with top conditioned handy weights selling to 25.80. Light weight slaughter heifers held steady but there was some discounting of heavier kinds. Butcher cows opened a strong 75 to $1 higher, but showed some uneveness in spots as the week advanced to close about steady to 50 lower for good and medium grades. Good bologna bulls were in short supply and prices remained firm. Good light veal calves were scarce with the odd sale to 33.50. Butcher calves sold fully steady. A limited supply of replacement cattle and calves were moving at firm prices to 50 higher for all classes. Last week's shipments off the Edmonton yards: East-490 for slaughter, 350 for feeding; West-760 for slaughter; southern Alberta-560 feeders.

(Bulk Closing Quotations)

SLAUGHTER CATTLE

Choice steers 25 to 25.70, good 24 to 25, medium 23 to 24. Choice heifers 24 to 24.50, good 22.50 to 24, medium 21.50 to 22.50. Good cows 18 to 18.50, medium 16.50 to 17.50. Canners and cutters 14 to 16.50. Good bulls 20 to 21.90.

REPLACEMENTS

Good stock and feeder steers (600-750 lbs.) 26 to 27.50, Good stock and feeder steers (750-up) 24 to 25.50, common to medium 19 to 24. Good stock and feeder heifers 21.50 to 24, common to medium 17 to 21. Stock cows 14-18.50.

CALVES

Good to choice veal 30 to 33.50. Good to choice butcher 26 to 28. Good stock steer calves 28 to 32.50, common to medium 21 to 27. Good stock heifer calves 24.50 to 27, common to medium 18 to 24.

HOGS

There weren't any butcher hogs on offer Monday, 50¢ higher Tuesday at 30, no sale Wednesday, closed 10¢ higher Thursday at a base price (index 100) of 30.10 dr. wt. 262 feeder pigs were sold Tuesday and Thursday. Feeders (75-100 lbs.) 26 to 29 cwt., heavy feeders (100 - over) 23.80 to 26.50 cwt. Weaners and light feeders 10 to 21.75 per head. Sows ranged from 14 to 18 cwt. live depending on weight. Boars 9.25 cwt.

SHEEP & LAMBS

Choice lambs 27 cwt. less 2% shrink. Feeder lambs 25 to 26 cwt. Ewes 3.00 cwt.

Dr. Ken Heater Attends Seminar

Dr. Kenneth Heater of Drayton Valley was among 70 chiropractors from Alberta, Saskatchewan and British Columbia attending a seminar at Red Deer on the week-end.

A meeting of the Alberta Chiropractic Association in conjunction with the Red Deer seminar, discussed support of a new $2½ - million Canadian Chiropractic College in Toronto. In anticipation of full inclusion in the National Health Plan next July, minor changes to improve the Chiropractic Professional Act and Regulations were also discussed.

Parkcourt News

Mr. and Mrs. J. Bruet and family spent the weekend visiting friends at Westlock and V ing friends at Westlock and Barrhead.

Quite a number of students took in the ice-capade show in Edmonton on Thursday night. They reported a good evening and all enjoyed the lunch bought in Edmonton and eaten on the homeward trip.

Timmy Rosadiuk has just returned home from the Drayton Valley hospital. We hope you will get better quickly now Timmy.

The Fred Fausaks have now gone into the chinchilla raising business. We wish them the best of luck in their new venture.

Due to the extreme cold weather the coal mine has been very busy - also the propane trucks are making regular visits too.

There's no doubt about Drayton Valley being in the heart of the black gold country as this photo reveals. A service crew is shown here working on a townsite well with residential property providing the backdrop

Auctioneers to Hold Second Charity Sale

Members of the Auctioneers' Association of Alberta have completed plans for their second annual Auction Charity Week, to be held throughout Alberta from February 2nd to 8th. In many areas members of the local Retarded Children Associations are co-operating with the auctioneers as the entire proceeds of the sales go to the Association for Retarded Children in Alberta.

For 1969 more than 35 Charity Auction Sales are planning covering all parts of the province, and with virtually all of the 370 member auctioneers taking part in one or more of the sales in his locality. In 1968 some 30 sales raised $22,500 for Alberta's Retarded Children, the largest single donation the Association had ever received.

It is the aim of the Charity Auction Sales to have mainly new or desirable articles of merchandise to be sold; and all interested are invited to contact their nearest auctioneer if they have something to donate to the Sale. In most communities flame red posters indicate the name of a member auctioneer to whom donations may be made.

In this area sales will be held at Stony Plain on February 6th, Warburg February 8th, Leduc February 4th, Edson at a date not yet set and at Sekura Auctions in Drayton Valley on Wednesday, February 5th.

BURTONSVILLE NEWS

MRS. A. HOMME
Correspondent

Mr. and Mrs. Stanley MacDougall visited with Mr. and Mrs. Axel Homme on Sunday afternoon January 12th.

Cecil Homme called at his parents home during the week to check on the fuel supply and to see how they were managing in the cold weather.

Three year old Keith Greanya fell on an object in his parents basement and injured his head to the extent that the doctor in Drayton Valley put 7 stitches in one cut and 3 in another to close the wounds.

Mrs. Bob Lehman who formerly lived in this neighborhood has entered an Edmonton hospital for surgery.

A memorial Service was held on Sunday, January 19th at 11:30 a.m. in the Burtonsville Free Methodist Church, for Mrs. Della Elizabeth Kennedy who passed away December 23rd, 1968. A tape of the funeral service was played and tribute given by Rev. George Harriman of the Park Dale Dale Free Methodist Church, Edmonton who was in charge of this service.

A good number turned out for the service in spite of the 38 below zero weather Sunday morning here in the Valley. The Harriman family lunched with Mr. and Mrs. Axel Homme before returning home to Edmonton.

There are several reports of neighbors having water lines frozen in this extremely cold weather.

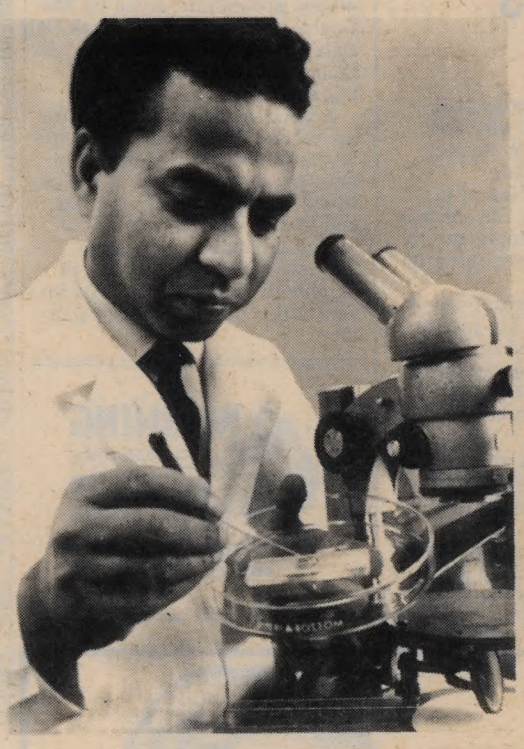
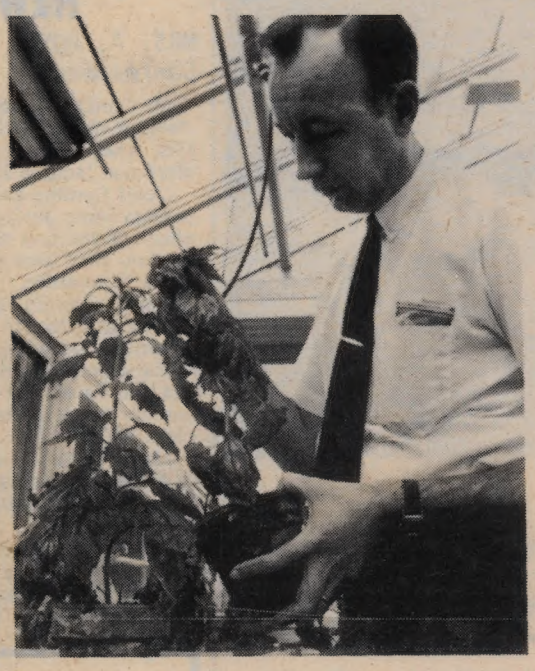
C.D.A. Scientists Conduct Study of Plant Viruses





The Canada Department of Agriculture's Cell Biology Research Institute in Ottawa maintains what is probably the world's largest collection of plant viruses. They have discovered several new plant viruses, other diseases that have never been reported in North America but which are known to exist in other countries, and have added an invaluable fund of knowledge about the better-known diseases and methods of transmission. Top left - Dr. Ramesh Sinha prepares a microscope slide. Top left - Mr. Lloyd Chiykowski checks an aster plant virus. Lower left - Dr. Yogesh Paliwal examines aphids on wheat. Lower right - Dr. J. T. Slykhuis holds a model mite, enlarged 1,500 times.

Sundance 4-H Club Plans Toboggan Party

IAN FERRIER
Club Reporter

The Sundance 4-H Beef Club held its regular monthly meeting on Thursday, January 9th with 12 members present. Roll call was the ear tag number of member's calves.

The club decided to have a toboggan party on February 1st and it was also decided to invite Moon Lake Beef Club to attend.

The Sundance 4-H Clubs were asked to sponsor this year's Valentine Queen contest and dance on February 14th. Each club participating will sponsor a queen contestant and sell tickets. The club selling the most tickets will have their contestant crowned queen at the dance at Sundance Hall that evening. Our contestant is Dorcas Hilts. Everyone is welcome to attend this dance, the proceeds from the raffle go to the crippled children's camp, He-Ho-Ha, so we want to raise as much money as possible.

There were very interesting and informative reports given by Marvin Richter, "How to choose a calf", Laura Blair on "Why keep records". Unfortunately Larry Johnson did not have his finished so he will have his ready for the next meeting.

The next regular meeting will be held on February 6th at Sundance Hall at 8:00 p.m. sharp.

Local Farmer Enthused About Sheep Future

Looking forward to a better future for the sheep industry, Mr. and Mrs. Albert Hodgson, who farm two miles south of Drayton Valley, are making plans to go into the business on a larger scale.

A new barn is presently under construction on the farm and Mr. Hodgson plans to add about 200 sheep to his flock, probably next fall. He has in the past run as many as 300 sheep but his flock is now down to about 25 and will be kept there until the new barn is ready.

Mr. Hodgson feels that by applying latest developments and professional standards a good future can be assured in the business. He feels that the western area is very suitable for combined sheep-cattle operations and that more farmers might profit by looking into the possibility of such a move.

Mr. and Mrs. Hodgson both attended the first of what is to become an annual Sheep Symposium at the Olds Agricultural and Vocational College on January 16th, 17th and 18th. Both were enthusiastic about the course and excellent facilities at the college which has expanded and improved tremendously in the past few years.

The high level symposium was intended to provide progressive sheepmen and others associated with the business with up-to-date and authentic information on latest developments in the industry. Besides sheep producers it was attended by professional agrologists, veterinarians, extension representatives, and feed and drug industry personnel and management.

The program was of value to everyone involved in the sheep industry and concerned about maximizing productive efficiency and over all development. A number of qualified authorities in the field took part in the lectures and discussions that covered nutrition, lamb feeding, energy requirements, breeding, environmental factors and production economics. The roster of lecturers and discussion leaders was selected from Kansas, Ottawa and Australia as well as Alberta.

The Hodgsons enjoyed very much their stay in the college which had about 300 students in residence at the time. They met several young people from this area who are attending the winter semester.

REEVE AT MILLBANK FEBRUARY 1

It was reported in error in last week's issue of The Western Review that the F.U.A. meeting at Millbank Hall was to be held February 8th. The date is in fact this Saturday, February 1st at 8:30 p.m.

Parkland County Reeve Rudolph Zander will be present and will answer questions pertaining to the county system.

Please note the date --Saturday, February 1st at Millbank Hall.

THE HOMEMAKER

Marlene Jubenvill

District Home Economist

10426-81 Ave. Edmonton, Alberta.

How often have you heard of someone on a so-called diet who along with other things won't eat potatoes?

If the doctor has forbidden potatoes for some specific reason, then fine. Otherwise, you should cut down on other foods before eliminating potatoes.

What do you know about potatoes? They're all starch; have no food value and are fattening. Right? Wrong.

Potatoes have excellent food value and are particularly important during the winter months when fresh vegetables are not so plentiful. Most of the vitamins and minerals are just beneath the skin. This is why baking or boiling with skins on is desirable.

However, sometimes potatoes develop a green colour. It may be due to exposure to light in storage or in the supermarket or it may have been the result of conditions. Whatever the cause, the effect is a bitter flavour and the possibility of poisoning. The only solution is to peel most of the green off.

And finally, this bit about calories. A medium potato has about 100 calories - the equivalent of 2 tablespoons of sugar or a piece of fudge. A glass of whole milk has 170 calories and a piece of pie 300.

It's not so much the potato that's fattening as the butter (1 Tb. has 100 calories), or sour [illegible]

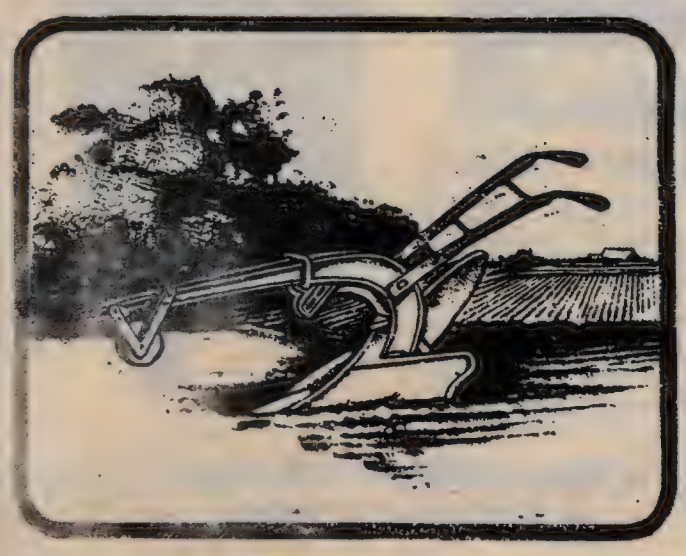
IS PRESSURE CONTROL TOO GOOD TO BE TRUE? (was the internal combustion engine? was the tractor? was the original ferguson system?)



Maybe you've heard us say that Pressure Control gives a Massey-Ferguson Tractor as much traction as auxiliary 4-wheel drive at a fraction of the cost.

Maybe you thought—"Who are they kidding?"

But the fact is, it's true. The Nationwide Consumer Testing Institute tested an MF 1100 row crop model with Pressure Control against another tractor that had auxiliary 4-wheel drive. Both tractors pulled the identical chisel plow at the same depth over the same field. And the Massey-Ferguson tractor pulled it faster, with less slippage.

That makes Pressure Control about the greatest advance in tractor engineering since the original Ferguson System. What the Ferguson System did for mounted implements, Pressure Control does for pull-type implements.

Are you still thinking that Pressure Control sounds too good to be true? Then visit us for just a few minutes. Give us a chance to prove to you the things we say about Pressure Control.

Because Pressure Control *is* too good for you not to know the truth about it.

MAKE US PROVE IT!

Grain Situation Said National Emergency

The movement of Prairie grain to the West Coast has deteriorated to the point of becoming a national emergency, Alberta Wheat Pool General Manager A.T. Baker stated this week.

He said many people, alarmed by the seriousness of the situation have levelled unjustified criticism at the Canadian Wheat Board without the following very pertinent facts, without which the situation cannot be understood or intelligently considered:

1. Most elevator companies failed until recently to restrict farmers' deliveries of tough and damp grain in spite of the Wheat Board's statement that they were counting on the companies to regulate the flow of toughs and damps to the capacity of their facilities. The result is a high percentage of this type of grain arriving at the terminals where drying capacity is limited with the consequent back-up of loaded cars all the way to country elevators.
2. The severe weather, which has prevailed since Christmas, has greatly reduced the ability of the railroad to move grain and to sort out cars of dry grain and forward them to the terminals.

These are the two reasons for the failure to maintain a normal flow of grain through West Coast ports. The Wheat Board cannot be held responsible for either, said Mr. Baker.

3. The situation is further complicated by unexpected additional demand for Canadian grain. Due to complaints of the quality of American grain, Japan rejected the United States as a supplier from mid-November to mid-January. A five-week longshoremen's strike, still in progress, has diverted further demand to Canada and made cheap ocean freight available at West Coast ports. The Wheat Board could have been quite properly, severely criticised if they had refused to accept these orders for the export of grain, the Pool Manager included.

Recreation Round-Up

by
Mike Gormley

COLD HAMPERS HOCKEY:

The excessive cold weather has been a deterrent factor in the progress of the local Minor Hockey program. Games have had to be cancelled on several occasions during the past three weeks because visiting teams could not make it due to weather and road conditions.

Last weekend was a typical example of how important a part weather and road conditions play in your program. With the opening of Minor Hockey Week we had a clear schedule for Minor Hockey at the Civic Centre. The Rebels were in Stettler and the Voyageurs were in Edson leaving a golden opportunity for the little fellows. Unfortunately we could not take advantage of the opportunity. Two games were cancelled on Saturday and the Devon team could not make it on Sunday for a game against the local All-Star Bantam team. Over and above the regular Town and District League games, Saturday featured a contest at the Bantam level with Wabamun defeating the L.B. Motors team 11-3. On Sunday the only game of the day was a humdinger between two PeeWee squads the Wabamun Kings and the Drayton Valley Hotel Leprechauns. The Kings won this one 5-4. The Hotel team led 2-1, 3-2 and 4-3 during the first and second periods but the Kings came back to score twice late in the second period. They then proceeded to play a tight checking game during the third period to hold the Leprechauns scoreless and preserve their margin for victory.

All Minor Hockey enthusiasts keep in mind the Drayton Valley Minor Hockey Night, Friday, March 7. Preparations for the big evening are under way and with some 238 players taking part we can look forward to a hectic evening.

ICE CARNIVAL PLANS:

Preliminary work has begun on the Drayton Valley Ice Carnival for 1969 which will be held at the Civic Centre on Saturday, March 22nd, at 2:00 p.m. and at 7:30 p.m. The Drayton Valley Figure Skating Club in co-operation with the local Rotary Club will again promote this event which will be the fourteenth consecutive annual ice carnival held in Drayton Valley.

HERE AND THERE:

The inclement and severe weather has been detrimental to more than our hockey program. The annual inter-scholastic Basketball Tournament at F.M.H.S. was postponed until Saturday, Februay 8th. This tournament will feature excellent competition with the cream of the crop in this district and formidable teams from Edmonton taking part.

Once again the weekend weather has played havoc with plans. A great deal of work was done on the local ski slope last fall and a fine skiing facility is now available but the continuing Artic front has discouraged many a potential skier. Some brave souls have been out there on the slopes however, when the thermometer is registering 20 or 30 degrees below it takes much of the fun out of the sport.

Something new for physical fitness enthusiasts is the local jogging club. The idea is a brisk morning workout and run a mile before breakfast (indoors of course) It is good for conditioning and will power. Plans are to move this activity to the great outdoors as soon as the fair hand of spring reaches out to welcome us. For more information concerning this activity contact the Recreation Office.

Check Performance Tests Before Purchasing Bull

If you want to buy a bull with the ability to increase your beef cattle enterprise profits, get one that has been performance tested and check his records beforehand, advises J. S. Lore, livestock specialist with the Alberta Animal Industry Division.

According to Mr. Lore, only about 1,100 of the 8,000 bulls to be offered for sale during the next four months will have a known high performance rating. This rating is based upon performance test results showing the bull has the potential to sire profitable offspring.

The performance potential of performance tested bulls in this province is measured by index numbers. An index over 100 means the bull's performance was above average in the herd where he was tested. Each animal completing a performance test is rated according to three separate categories.

The weaning index measures his performance from birth to weaning and reflects such maternal influences as the amount of milk he received etc. The rate of gain index measures his performance from the time he was weaned until the end of the test. The third category, the birth-to-end-of-test, is probably the most reliable upon which to base selection.

Mr. Lore strongly advises commercial cattle breeders considering crossbreeding this year to use only good bulls. He stresses that regardless of the type of breeding program being followed, no commercial cattle producer can afford the luxury of a poor bull.

Before purchasing a bull, decide which traits are most urgently needed by your herd, he advises. Then, restrict your selection to them, and remember by choosing a performance tested sire with these traits, you will also get such compatible traits as feed efficiency, hardiness and muscling. In other words, for a positive approach to genetic improvement in your beef herd, choose a bull that has scored well above average in each of the three categories mentioned above.

A list of breeders who are performance testing their cattle is available from your district agriculturist or the Animal Industry Division of the Alberta Department of Agriculture, Edmonton.

Let's see. Two in the biplane and another three on the fence posts. That's five fast flyers. All this plus a speeding express train, a racing stagecoach and a hopped-up Hupmobile. What's everybody's hurry? Heaven knows, in Lethbridge we take our own sweet time brewing the beer behind that lively label. Then we age it slowly and naturally. For a flavour that goes over great.

School Committee Organization Meeting

Organizational meeting of the School Committee of the County of Stony Plain No. 31 was held in the County office on Tuesday, January 7th. Present were Messers L. N. Miller, R. A. Bailey, Peter Bakker, R. Lent, George Mann, Ivan Vowk, Wm. Barth, D. Gylander, and T. W. Johnson, School Committee members, also Mr. Henry Toews, Superintendent of Schools, and Mr. W. G. Wilson, Assistant Superintendent, Mr. O. W. Schuster, Secretary-Treasurer, and Mr. A. W. Boychuk, Assistant Secretary-Treasurer.

The meeting was called to order at 10:10 a.m. with Mr. L. N. Miller in the chair.

Election of Chairman

Mr. R. A. Bailey was nominated by Mr. Peter Bakker, Mr. L. N. Miller, who was nominated by Mr. William Barth declined.

Election of Vice-Chairman

Mr. Don Gylander nominated Mr. George Mann for Vice-Chairman. Mr. L. N. Miller nominated Mr. Peter Bakker.

Resolution No. 1

Moved by Mr. Ivan Vowk that nominations cease. Carried.

Building Committee: Resolution No. 2

Moved by Mr. George Mann that a Building Committee consisting of 4 school committee members be appointed. Carried.

Building Committee Members

Mr. L. N. Miller was nominated by Mr. George Mann. Mr. George Mann was nominated by Mr. William Barth. Mr. Ivan Vowk was nominated by Mr. William Barth. Mr. R. Lent was nominated by Mr. Ivan Vowk.

Resolution No. 3

Moved by Mr. George Mann that Mr. Henry Toews also be a member of the Building Committee.

Resolution No. 4

Moved by T. W. Johnson that the Building Committee be authorized to add members of the School Committee as needed and to obtain any professional advice when necessary.

Resolution No. 5

Moved by Mr. William Barth that nominations for the Building Committee cease. Carried.

Salary Negotiating Committee: Resolution No. 6

Moved by Mr. George Mann that a salary negotiating committee of 4 be appointed. Carried.

Mr. George Mann was nominated by Mr. L. N. Miller. Mr. Peter Bakker was nominated by William Barth. Mr. R. A. Bailey was nominated by Ivan Vowk. Mr. William Barth was nominated by Mr. R. Lent. It was also agreed that a secretary sit in on negotiation.

Resolution No. 7

Moved by Mr. R. Lent that nominations for the Salary Negotiating Committee cease. Carried.

Salary Grievance Committee: Resolution No. 8

Moved by L. N. Miller that the Salary Negotiating Committee act as the Salary Grievance Committee. Carried.

A. S. T. A. - Zone 2 - Representative:

Mr. R. A. Bailey was nominated by Mr. William Barth.

Resolution No. 9

Moved by Mr. George Mann that nominations cease. Carried.

Professional Development Committee Representative: Resolution No. 10

Moved by L. N. Miller that 2 representatives be appointed to the Professional Development Committee. Carried. Mr. Ivan Vowk was nominated by Mr. R. Lent. Mr. L. N. Miller was nominated by Mr. T. W. Johnson.

Recreation Council Representative: Resolution No. 11

Moved by Mr. L. N. Miller that this matter be tabled until the next meeting of the Recreation Council. Carried.

School Bus Representative: Resolution No. 12

Moved by Mr. George Mann that a School Bus Representative be appointed. Mr. Ivan Vowk was nominated by Mr. Don Gylander.

Resolution No. 13

Moved by Mr. George Mann that nominations cease. Carried.

Edson-Stony Regional High School District No. 2 Representatives:

Mr. George Mann was nominated by Mr. L. N. Miller. Mr. Don Gylander was nominated by Mr. Peter Bakker.

It was pointed out that according to the Agreement of Organization the Chairman of the School Committee must be a representative on the Edson-Stony Regional High School District No. 2 Board.

Therefore Mr. R. A. Bailey was automatically declared representative of the Edson-Stony Regional High School District Board.

A ballot vote was called between Mr. George Mann and Mr. Don Gylander.

A count of ballots showed that Mr. George Mann was elected as the other representative.

School Maintenance Committee

Moved by Mr. George Mann that a School Maintenance Committee consisting of 4 be appointed to inspect school buildings and bring back a recommendation regarding school maintenance. Carried. Mr. T. W. Johnson was nominated by Mr. Peter Bakker. Mr. Roy Lent was nominated by Mr. L. N. Miller. Mr. Peter Bakker was nominated by Mr. George Mann. Mr. Don Gylander was nominated by Mr. T. W. Johnson.

Resolution No. 15

Moved by L. N. Miller that nominations cease. Carried.

Adjournment: Resolution No. 17

Moved by Mr. William Barth at 12:15 p.m. that the meeting adjourn for lunch. Carried. The meeting re-assembled after lunch at 1:30 with everybody present except Mr. R. Lent who arrived at 2:45 p.m.

Minutes of the Last Meeting: Resolution No. 18

Moved by Mr. T. W. Johnson that the minutes of the December 17th and 18th meeting be adopted as presented. Carried.

Resolution No. 19

Moved by Mr. L. N. Miller that the policy of paying tuition, transportation and boarding allowance on behalf of pupils attending the Winnifred Stewart School for Retarded Children be continued. Carried.

N. S. F. Cheques

Mr. Leo Reynolds explained to the School Committee that a considerable amount of difficulty is being experienced with N. S. F. cheques being presented at the school in payment for text rentals and supplies.

Resolution No. 21

Moved by Mr. Peter Bakker that N. S. F. cheques presented at schools be brought to the County Office for collection. Carried.

Proposed Addition - Spruce Grove

It was brought to the attention of the School Committee that a reply has been received from the School Buildings Board on Statement of Need for Spruce Grove, but the recognition was considerably less that what was applied for. The following areas were approved:-

A. By Reclassification

(1) Existing library to general ancillary - approved in principle - no support.

(2) Existing principal's office to general storage - approved in principle - no support

(3) Existing staff room to staff work room - approved in principle - no support

B. By New Construction

2 Primary classrooms 850 sq. ft. each. 3 general classrooms 750 sq. ft. each. 1 Science experience classroom 1,000 sq. ft. Science preparation and storage 200 sq. ft. 1 General ancillary 1,500 sq. ft. Library 1,500 sq. ft.

Gymnasium - Phys. Ed. floor; 2 station 4,800 sq. ft. (less existing). Storage 200 sq. ft. Showers and dressing rooms 900 sq. ft. total. Phys. Ed. office one at 120 sq. ft.

Administrative Centre - Principal's office, one at 180 sq. ft. Vice-Principal's office, one @ 150 sq. ft. Secretary and General Admin. 220 sq. ft. (including pertinent storage)

Staff Centre - Staff common room, one @ 450 sq. ft. Staff lavatories, 2 @ 100 sq. ft. total. Infirmary, on @ 275 sq. ft.

Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act.

Resolution No. 22

Moved by Mr. William Barth that the Buildings Committee be authorized to meet with the School Buildings Board with hopes that recognition may be obtained for more accommodations at Spruce Grove. Carried.

Complaint Re: School Bus Operation - Mrs. B. Hoines

A letter was received from Mrs. B. Hoines of Winterburn regarding school bus operation. This family lives nearly 1 mile from a good road and the bus operator refuses to drive into the field. Inspectors from the Inspection Branch of the Attorney General's Department declared this road unsafe for school bus travel.

Resolution No. 23

Moved by Mr. William Barth that the Inspection Branch be requested to send an inspector, along with Mr. L. N. Miller, to inspect the road into Mrs. B. Hoines' place. Carried.

Air Compressor - Memorial High School

Mr. William Barth explained to the school committee that an air compressor has been installed in the Industrial Arts room in the Memorial Composite High School in Stony Plain. It is now necessary to extend outlets to the Biology and Chemistry classrooms. The cost of this installation is estimated to be about $569.00 for material plus $250 for labor.

A small compressor is also required in the Physics classroom. This compressor could be purchased for approximately $125 and only 1 outlet would be required.

Resolution No. 24

Moved by Mr. R. Lent that a recommendation be made to County Council that outlets for the air compressor be installed in the Biology and Chemistry classrooms in the Memorial Composite High School and that a small compressor be installed in the Physics classroom. Carried.

Maintenance Man - Felix Knor: Resolution No. 25

Moved by Mr. William Barth that Mr. Felix Knor be authorized to make nominal purchases of material as in the past. Carried.

Custodial Training School: Resolution No. 26

Moved by Mr. George Mann that the matter of the Custodial Training School for janitors be tabled. Carried.

Superintendent's Report

Mr. Henry Toews addressed the School Committee and briefly explained the duties of a provincial Superintendent of Schools and submitted proposal for management of school affairs within the County.

He further explained that Mr. W. G. Wilson is his assistant and directly responsible to him. Mr. Wilson has been made responsible for the Elementary program and also the purchasing of academic supplies and equipment.

Mr. Toews mentioned that in the past he had been delegated the authority to engage and place teachers and that he would like to retain this authority.

Resolution No. 27

Moved by Mr. Peter Bakker t that the Superintendent's report be accepted. Carried. The Superintendent distributed copies of the school policy handbook to the school committee members for their study.

School Management: Resolution No. 28

Moved by Mr. George Mann that the Superintendent's proposal for management of school affairs be adopted as presented. Carried.

Snow Blower - Stony Plain

It was reported that the janitors at the Stony Plain schools request a snow blower. The County now has a snow blower at the office.

Resolution No. 29

Moved by Ivan Vowk that a recommendation be made to County Council that the present tractor and snow blower be sent to the Stony Plain Schools on a trial basis. Carried.

Salary Negotiating with Teachers Resolution No. 30

Moved by T. W. Johnson that salary negotiating with teachers be referred to the salary negotiating committee. Carried.

Regular School Committee Meetings: Resolution No. 31

Moved by Mr. William Barth that School Committee meetings be held on every first Tuesday of the month. Carried.

Remuneration for School Committee Members: Resolution No. 32

Moved by Mr. L. N. Miller that remuneration to Town and Village representatives on the School Committee of the County be the same as that of the County Council members. Carried.

Travelling Expenses - Superintendent: Resolution No. 33

Moved by Mr. T. W. Johnson that the Superintendent of Schools be paid at the rate of 12¢ per mile when travelling on School Committee business. Carried.

Seba Beach School:

Mr. George Mann reported some difficulties at the Seba Beach school with heating and with the washing machine in the Home Economics room. He was authorized to effect temporary repairs and to report back to the school committee.

Skating Lessons - Wabamun: Resolution No. 34

Moved by Mr. George Mann that the School Committee authorize school bus trips from Wabamun to Stony Plain on Saturday mornings for skating lessons. Carried.

Adjournment: Resolution No. 35

Moved by Mr. William Barth that this meeting adjourn until 10:00 a.m. on Tuesday, January 14th. Carried.

Gets Photo in Power Mag.

Miss Jennifer Zilm, a former student of Frank Maddock High School in Drayton Valley, made the pages of the current issue of the Calgary Power Relay magazine.

Miss Zilm, the eldest daughter of Mr. and Mrs. Dave Zilm of Brazeau Dam, is shown accepting the Frank Maddock Trophy for academic excellence from Mr. Frank Maddock, former Chairman of the Board of Stony Plain School Division.

Low doses of certain fungicides increased wheat's growth rate 200 per cent and kernel weight up to 20 per cent during laboratory experiments conducted by Dr. S. H. F. Chinn of the Canada Department of Agriculture's Saskatoon Research Station. Dr. Chinn obtained consistent and dramatic results in the greenhouse, but has been unable to repeat the results under field conditions. He speculates that soil temperatures are too low in the spring to allow a repeat performance of his laboratory results. Dr. Chinn made his discovery while searching for methods to control common root rot, a serious wheat disease in the prairies

D. V. Highlights

BY MRS. EDITH DEBY

Our sincere sympathy is extended to the Ibbotson family in its recent , sad bereavement.

Mr. and Mrs. Albert Hodgson very much enjoyed their three days at Olds Agricultural and Vocational School where they attended the Sheep Symposium.

Hope to see Mrs. Hubert Davidson well soon and back at her job in the drug store.

Mr. and Mrs. Norman Arnold left last Sunday for a three week vacation in Mexico. They were to fly to Mexico City via Vancouver and then take a bus tour of Mexico.

It's good to hear that Mrs. Calvin Bartlett is able to be about once again.

LIBRARY NEWS

Thanks go to Mr. William Hawryluk for donating several books to the library

Rest assured that no books donated to the library are wasted. Those that duplicate our collection are passed on to other libraries.

A sincere, if belated, thank you to the Elks Lodge for its generous donation of two hundred fifty dollars for the book buying fund.

Yes, we hope to have Miss La Marsh's book by the end of January. Our suppliers inform us that the second printing has been sold out and a third should be ready in ten days time.

In the twelve months "Bitter Humor" has been on our shelves only three individuals have borrowed it. This book is really so interesting that it would be a pity to overlook it. The author, Harvey Blackstock, was a criminal for over thirty years, in jail more than out. His first conviction came for vagrancy as a youth of eighteen he "rode the rods" in the depression. He contracted rheumatic fever, took to drugs to ease the pain and thus became "hooked". His account of life inside a prison is a shocking expose. Blackstock does not hesitate to name persons and places. Jars one out of any complacency one may have regarding Canada's penal institutions.

New to our library is "The Mapmaker" by Frank Slaughter. The story is concerned with the mid 1400s when Lisbon was practically the centre of the world. Here is the story of Andrea Bianco (El Hakim) a real Venetian mapmaker, whose brilliant navagation long before Columbus added so much to the fame of Portugual's Prince Henry.

If you feel you have no faults, that makes another one.

Annual Meeting Of Red Cross Thursday Evening

The annual meeting of Red Cross will be held on Thursday, January 30th in the Council Chambers of the Town Hall. It is hoped that the public will make an effort to attend this meeting as there will be a presentation of certificates to those who have donated 20 or more pints of blood and certificates to those who have worked for the Red Cross for a long period of time.

The meeting will also include reports of Red Cross activities during 1968. The Red Cross does a tremendous job in Drayton Valley. Please come out to our annual meeting and honor our citizens who have given great service to the Red Cross.

LAKE ISLE NEWS

MARY E. PECK
Correspondent

Since this is the first time that I have had the pleasure of sending news items to this newspaper I would like you to know a bit about our part of the country. We are a farming district located twenty-five miles north and about eleven miles east of Drayton Valley. We are bounded on the south by the north shore of beautiful Isle Lake with its islands, summer cabins, fishing, boating and water skiing.

Last Thursday evening the Community Club held its regular monthly meeting at Anker Satermo's home. There was a good attendance in spite of the bitter cold weather. While the men played cards the women made plans for catering to a wedding reception for Don Rose and Connie Walker who are to be married on Friday, January 31st. After the financial statement was read the ladies decided to purchase a few cups and saucers, trays and dishes to complete a dinner setting for one hundred and fifty. The next meeting will be at the Lund's on February 6th.

Several afternoons and evenings this past week, local residents have been donating work to build more tables and benches for the hall. All former hall furnishings have recieved a fresh coat of paint.

Jenny McLeod is to be in Edmonton for the next two months visiting with friends.

Mr. George Lund, Sr. has returned from Stony Plain hospital where he underwent surgery, before Christmas holidays.

Last Wednesday evening a very lovely baby shower was held at Regina Cap's home for Stacey Melmoth, daughter of Don and Lola Melmoth of Lake Isle.

Mac Peck has been confined to his home for the past two weeks with pneumonia which followed a severe attack of flu.

Also very ill this month with flu and pneumonia were the McCormick and Wakelam families who live north of Lake Isle.

Due to the severe cold weather and the depth of the sand-like snow, pulp trucks have been forced to an almost standstill as far as hauling to the plant is concerned.

Don Round and his nephew Barry Round of Clyde were visitors at Eddie Jones's home this week.

Norman Satermo is night-shift man on the local municipal grader and snowplow.

REBELS LOSING STREAK CONTINUES

The Rebels are in a bad slump and can't seem to shake it. In the past week they have lost two more games. One to Wetaskiwin on January 21st by a score of 6 - 2 and again on January 26th to Stettler 5 - 4. Their next game is in Camrose on January 28th. In these last 2 games they have spotted their opposition with bad leads in the first period and then settling down to play good hockey that they are capable of in order to win games they will have to bear down and play a solid 60 minutes of hockey.

In the first period of the Wetaskiwin game R. MacEachern opened the scoring with Schaffer assisting. Then J. Young, R. Romaniuk, Ken Sterzer and B. Reistal added one each to put the Colonels ahead 5 - 0. In the next two periods the Rebels outscored the Colonels 2 - 1 with Dan Davie scoring, Gary Pankewicz and Dave Boulter drawing assists and Gary Pankewicz with Dan Davie and Barry Ness earning assists. R. Schaefer scored a goal for the Colonels in the 3rd period to sum up the scoring.

Then in Stettler on Sunday they spotted the Imperials 4 goals in the first period and then came on strong to close the gap to 5-4 but were unable to score the equalizer. Doug Blaney scored a hat trick in the first period and Norm Koberinski added another. The Rebels answered with goals from Dan Davie with G. Pankewicz assisting, Wayne Garding with Hemmingway and Colbert drawing assists. Then Dan Davie scored his second goal of the afternoon and G. Pankewicz drawing his second assist. L. Zaichkowsky scored a goal for the Imperials to give them a 5-3 lead at the end of 2 periods.

Barry Ness closed out the scoring in the third period with Dave Boulter assisting. The Rebels came close on numerous occasions to tie the score but were unable to capitalize on their opportunities.

They have a long row to hoe in the next eleven days as they play 5 more regular league games in that period and they must win some of these games to restore their confidence and tune them up for the play-offs ahead. Their next home games are on Saturday and Sunday, February 1st and 2nd. against the Fort Sask. Huskies. These games will be interesting to watch and we can hope the Rebels shake their slump.

Frolic Cancelled

The mid-winter frolic planned by the Elks Lodge for the evening of January 31st has been cancelled due to the extreme cold.

While meditating over a sandwich, we discovered a marvelous new paper fastener—peanut butter.

THANK YOU

We would like to extend out heartfelt thanks to Rev. Ingram, Mrs. Pickup the organist, the pallbearers, the W.A. Ladies, Regan's teachers and all his classmates. All who belong to the Cub and Scout organization. Our friends and neighbors who were so kind and thoughtful in our recent bereavement.
The Ibbotson Family.

We wish to take this opportunity to thank our friends and neighbors for their kindness in putting on a surprise party for our Silver Wedding Anniversary, recently. The gifts were lovely. A very special thanks to Rachael Anderson and Elizabeth Mueller. Also Nick and May Urchyshyn for the use of their rumpus room and the delicious cake.
Sincerely,
Wilf and Lyla Sleno.

Don't Be "Taken"

Have you been "taken" lately? If so could it be that you were "hooked" by one of the following:

1. You were looking for SOMETHING for NOTHING.
2. You were BARGAIN HUNTING.
3. You failed to READ what you SIGNED.
4. You bought to GET RID of the SALESMAN..
5. You belived "YOU WERE SPECIALLY CHOSEN" type of flattery.
6. You felt that you could rely upon your OWN JUDGEMENT without bothering to GET THE FACTS.

.....The Los Angeles Better Business Bureau.

School of Tourism To Offer Student Courses

The Alberta School of Tourism, sponsored by the Alberta Department of Youth, the Alberta Government Travel Bureau and the Alberta Tourist Association, will offer courses for students in four Alberta centres during the month of February this year.

Up to 200 students, seventeen years of age and over, will be accepted for each of the schools in Edmonton, February 8th - 9th; Calgary February 15th - 16th; Lethbridge, February 8th - 9th and Grande Prairie, February 22nd - 23rd.

During each of the two-day sessions, students will hear speakers and take part in sessions covering the value of tourism, Alberta's events and attractions, hospitality and customer relations, how to apply for a job, employment expectations and problems on the job. A hootenany and fun session are also on the activity program.

The courses are not an attempt to teach specific skills but rather provide students with an understanding and awareness of the tourist service industry in Alberta.

The Alberta School of Tourism does NOT guarantee students a summer job but information given should improve a students ability to find a job and perform capably.

Application forms and information booklets are now available by writing to: Alberta School of Tourism, Department of Youth, 26th Floor, C.N. Tower, Edmonton 15.

Deadline for applications is February 1st, 1969.

Holds Meeting Evansburg C.W.L.

Although the temperature was hovering around the 30 below zero mark, the first meeting of the St. Elizabeth Council held in 1969 was very well attended.

Father McKenzie informed the members of planning a Christian Unity Service in conjunction with Pastor Yee, which will be held in the St. Elizabeth Roman Catholic church on Wednesday, January 29th at 8:00 p.m. and stated the congregation of all Protestant churches are invited.

Father McKenzie also stressed that each member should assist by letting friends and neighbors know of this event. There will be a coffee hour after the service for all those attending the service.

Fish and Game Trophy Night

Members of the Pembina Oilfield Fish and Game Association are reminded of the trophy night to be held in conjunction with the regular meeting on Thursday, January 30th.

Egg Producers Should Register

All egg producers in the province of Alberta should register with the Egg and Fowl Marketing Board as soon as possible. Registration will ensure that the Board has a record of producer operations for use in allotting marketing quotas.

The Board does not intend to interfere with the method any producer uses to sell his eggs. Those who sell directly to the consumers or retail outlets will not find themselves being required to channel their eggs through an egg grading station or some other outlet.

In order to register Alberta producers should contact the Egg and Fowl Marketing Board's office at 315A - 36 Avenue S.E., Calgary. The telephone number is 243-0543.

If you have to travel across frozen lakes by automobile it is wise precaution to roll down the windows of the vehicle. Then, if you are unlucky enough to break through the ice, water pressure against the doors will not make escape impossible.
